TO WHOM IT MAY CONCERN

The Royal Netherlands Embassy certifies herewith that the company “Bautech Bull” EOOD Sofia in the period of October 2003 till March 2004 has executed as Main Contractor the complete fit out works in the new Chancery of the Royal Netherlands Embassy in Sofia.

The work in the Chancery consisted of the construction and the installation of the complete internal fit out, being: Internal walls, ceilings, floors and doors. Tailor made production and installation of all fixed furniture for counter desks, meeting room and canteen. All electrical, security, ventilation, heating and air-conditioning installations. Water and sewage installations. Construction of the porter’s lodge and site works.

Thanks to the effort of “Bautech Bull” EOOD and the German management permanent present on the site, the work has been done within the set time-schedule and to complete satisfaction of the ‘Real Estate Abroad Department’ of the Ministry of Foreign Affairs in The Netherlands and to the former Ambassador of the Kingdom of The Netherlands in Sofia, H.E. Baroness H.J.C.M. van Lynden – Leijten.

The company can be highly recommended to anyone looking for a reliable Main Contractor.

Mrs. C.E. Orban-Hackert
Head of Administrative and Consular Affairs
