'Construction Beyond Borders'

Company Presentation
(General)

Introduction:

Bautech GmbH, Germany and its subsidiary company Bautech Bull EOOD, Bulgaria is a civil works company with broad competence and an international vision.

Bautech was founded in 1990 as a construction company with a global outreach. Our core construction projects have been executed in countries such as Bulgaria, Kosovo, Russia, Ukraine, Serbia, Ethiopia, Zanzibar, Somalia, Hungary and Rumania.

At present Bautech employs seven engineers in the technical department, as well as five office workers and approximately 50 qualified permanently employed construction workers.

We are always working in cooperation with Bautech Bull, which allows us to provide our clients with some of the market's most competitive offers.
